Change Notice 6  
30<sup>th</sup> September 2010

Dear Licensed User,

In accordance with the EFETnet Accession Agreement/Licensed User Agreement (Clause 7.3), we therewith notify you of changes of the EFETnet General Terms and Conditions (GTC) as published on [www.efetnet.org](http://www.efetnet.org).

## **Inclusion of “Central Matching Service” Schedule and Supporting Documents**

In response to the acceptance and approval of the eCM v4.0 Standard by EFET and the positive response received by EFETnet in consultation within Licensed User in Q1 2010, EFETnet now wishes to extend the portfolio of services it offers to Licensed Users to incorporate a Central Matching Service, initially for electronic confirmation matching.

The attached Central Matching Service Schedule and Appendix 1 Central Matching Service – Electronic Confirmation Matching will upon conclusion of the Change Notice procedure become an integral part of the EFETnet GTCs. Licensed Users wishing to opt for the Central Matching Service may do so by signing an Engagement Letter. The Engagement Letter shall be circulated separately once this Change Notice takes effect. There is no obligation for Licensed User to opt for the Central Matching Service; the status of Licensed Users not wishing to opt for the Central Matching Service remains unaffected by this Change Notice.

## Action Required by Licensed User

Please review these changes carefully and let us know by 15th October 2010 whether you have any concerns about the intended changes. This letter constitutes the Change Notice according to Clause 7.3 of the Accession Agreement.

Save for the proposed changes set out in this Change Notice, the EFETnet GTCs shall continue to be in full force and effect.

The provisions of Clause 12.7 of the GTCs shall apply to any dispute, controversy or claim arising out of this Change Notice. This Change Notice shall be posted on [www.efetnet.org](http://www.efetnet.org).

As you are aware we have transferred the provisions of the EFETnet Software Licensed User Agreement to the GTC posted on internet at [www.efetnet.org](http://www.efetnet.org). In the event of receipt of Change Notices, we invite you also to refer to the site as a central reference for our standard terms of business as they change over time.

**Be reminded that your consent is deemed to be given if we do not receive your objections in writing by the date mentioned above and the changes will take effect without further action being necessary.**

Best regards

Hugh Brunswick,  
Managing Director, EFETnet
